

WORLDTOB.COM

QUALITY DOES NOT COST, IT PAYS

ENERGY style barns,

are the world class standard in quality tobacco curing:

- Built with only quality materials
- Energy efficient

#1 Preferred Choice for East Coast Farmers

*BUILT IN USA 

The construction / manufacture / assembly and test of the barns are **made in Wilson ,NC** and deliver to the grower's farm through out UNITED STATES and around the World . The barns overhang in the back allows to make any repairs if necessary **without standing in the weather elements**. The small tin window on the front of the barn **allows to peek at the cure without opening the large doors**.

World Tob can provide an excellent service team , with expert technical support personnel and spare parts.

- Reinforced Chassis & Boxes
- Galvanized frame
- Perforated galvanized flat steel floor (easy to clean)
- Proven Stainless Steel Heat Exchanger
- Foam insulated wall and roof panels-(high quality panels)
- 10 hp electric motor
- Automatic controller - **Waterless Sensor**
- 32" or 42" boxes
- Service guarantee!

* Barn Size:
